

TWINNING NEWS

Aylsham - April 2013

Our visitors in May

The programme for the visit has been finalised and those of you hosting should know who your guests are. We expect that all French guests will go on all of the outings and we would ask that wherever possible hosts join in with all the events with their guests, as a twinning event is a group event and our guests come, and would wish to remain, with their friends.

If you wish to attend please fill in the form that was distributed recently. If you are not hosting you can still take part in the events, although some are limited in numbers and priority will be given to hosts.

Twinning Web Site

You may not be aware of the fact that Aylsham Twinning has it's own web site. This has recently been redesigned to give it a fresher and more modern look.

We would like to create a slide show page of photos of our events and exchange visits. If any of you have photos you think may be suitable we would love to see them. You can email them to peter.felgate@talktalk.net or you could lend us the prints and we could scan them in. Please put them in an envelope clearly marked with your name so that we can return them. Descriptions of the photos would be appreciated.
