Aylsham - March 2017

Our visitors in May

The programme for the visit has been finalised and hosting arrangements made. Attached to this newsletter are the details of the program of events and a form to book places on these events. It is expected that all French guests will go on all of the outings and we would ask that wherever possible hosts join in with all the events with their guests, as a twinning event is a group event and our guests come, and would wish to remain, with their friends. If you wish to attend please fill in the attached form and return by the requested date at the very latest. If you are not hosting you can still take part in the events, although some are limited in numbers and priority will be given to hosts.

200 Club

The February winners were:-

1st prize	K Dennis	111	£30.80
2nd prize	M Greenfield	16	£15.40
3rd prize	Mrs Wootten	100	£7.70

The 200 Club, as well as being a bit of fun, is an important source of income for Twinning. Half of the proceeds of the membership money go in prizes and half to the Twinning funds. Anybody can join so why not get your friends and family to become members and join in the fun.

Wine Tasting Event

There is still just about time to come to this event on 7th April if you are quick. If you wish to come please contact Ruth immediately. It should be a fun evening.

New Members

We would like to welcome into our select band David and Carol Shippey. We hope they enjoy their time with us and I am sure that we will all make them very welcome when we meet them at our social events. If you know of any potential new members please encourage them to join us.

Twinning Web Site

You may not be aware of the fact that Aylsham Twinning has it's own web site. It contains information about our group and also about our twin town of La Chaussée St Victor. All of our newsletters are on the site. We would like to show photos of our events and exchange visits. If any of you have photos you think may be suitable we would love to see them. You can email them to peter.felgate@talktalk.net or you could lend us the prints and we could scan them in. Please put them in an envelope clearly marked with your name so that we can return them. Descriptions of the photos would be appreciated.
