Sunday Lunch

On Sunday 19th August we will be holding our Sunday Lunch at Eastern Green, Buxton Road, the home of Phillip and Margaret Gostling. We will be enjoying some delicious food and fun and games including our Bowling For The Pig competition. A not to be missed event.

There will be more details and a booking form in the next newsletter.

Jubilee Celebrations

Aylsham Twinning organised the Jubilee dance in the Town Hall on behalf of the town. As this event was based on our New Year's Eve dance, with Barry Lee providing the music, it was bound to be a success. This was indeed the result with everybody having a thoroughly good time.

We also had a table at the Jubilee street party in the town square. We were joined at both events by some of our friends from La Chaussée St Victor who were very impressed by the organisation of these events and the way the people of Aylsham came together in such a happy and good natured way to have good time.

Over a thousand people packed the town centre to celebrate the 60 year reign of Queen Elizabeth II. After the weather of the previous days we were very lucky to only have the odd spot fall on us which did nothing to dampen the enjoyment of all who attended and by later in the afternoon we were enjoying some welcome sunshine.

The photos below are of the Twinning table and a delicious cake which was baked especially for us by Sue Margaron.

Many thanks must go to Mike Bush and his team of helpers for organising such a wonderful party. We are now looking forward to the Platinum Jubilee in ten years time. Are you ready Mike?
